REFLECTION (Identification of training needs)

Pharmacy plays an important role in providing health related advice, in health promotion and in identifying healthcare needs.

I will be assisting at a pharmacy stand at the Balmoral Show providing healthcare advice and offering BP and glucose level measurements.

Need to be confident in issues related to health promotion and in the use of BP and glucose monitoring equipment.

PLANNING

Before the event I will practice using the blood pressure and glucose monitoring equipment.

I will discuss the referral criteria with my tutor before the event so that I can confidently advise the public as appropriate.

ACTION (Description of event/situation)

I counselled and advised many customers on healthy living issues such as healthy diet, exercise and smoking cessation during the show. I measured BP's and glucose levels and recommended that a number of customers attend their GP.
