**President Congratulates Professor Sean Gorman FPSNI on New Year's Honour.**

Today Ms Ann Bowen, president of the Pharmaceutical Society NI, congratulated Prof Sean Gorman on being awarded the CBE in the New Year's honours list.

“Prof Gorman has been a great ambassador and advocate for pharmacy in Northern Ireland and further a field. On a personal level I would rate him as one of life's true gentlemen and well deserving of this honour. We as a Society are proud to count Sean as one of our Fellows as well as a former Council Member.

During his time on Council his contribution was greatly appreciated. His commitment to education and research was outstanding and this honour fully recognises the contribution he has made to the profession of Pharmacy.

Once again I would publicly congratulate him on this honour and express our pride at this recognition”
