

# Performance Standards % Completion

8th January 2018

---

Dear Trainee,

**Reminder:** The expected completion score at 26 week appraisal is 50%.

Well done to those trainees who have already achieved this. As you move towards your 26 week appraisal date, it is essential that you and your tutor work together to achieve a 50% score if you have not already done so.

If you feel you need any further support with completing learning cycles, please talk to your tutor for advice in the first instance. Alternatively, you can contact me at the Society.

Regards

**Daniel Young**  
**Pre-registration Lead**
