

## **Pre-registration Training 2016-17 – Important Information**

Monday 13<sup>th</sup> June 2016

Dear Pre-registration Trainee

Please read the information below carefully.

### **Before you start pre-registration training**

If you wish to start your training before your degree certificate is available, you will need to provide official communication from your University stating that you have satisfactorily completed all the requirements for the award of an MPharm degree and are eligible to graduate.

Please note that your University may not provide this information to the Pharmaceutical Society NI unless **you** request it.

You should check that the Pharmaceutical Society have this evidence before you start, otherwise we will **not** be able to recognise your start date.

### **Verification of your degree certificate**

A **certified true copy** of your degree certificate (certified by an appropriate official\*) must be submitted for verification to the Pharmaceutical Society within two months of you commencing your training.

*\* Details of who can certify a degree certificate and the associated requirements are attached.*

### **Induction Event**

If you have not yet registered for one of the compulsory Induction Events please do so as soon as possible using the following link:
