

Pre-registration Tutor Courses 2019

Tuesday 20 November 2018

Dear Pharmacist

Registration for **Pre-registration Tutor Courses** to be held in **March/April 2019** is now open.

Purpose of course:

The pre-registration training year is a key element to ensuring that we register competent pharmacists; thereby protecting the public and maintaining the reputation of the pharmacy profession in Northern Ireland. The mentoring and support provided by tutors to trainees during pre-registration training is crucial in this regard.

The purpose of this tutor course is to prepare 'new tutors' for their responsibilities during training, to learn from experienced tutors and to gain accreditation to act as a tutor. The course also provides for 'experienced tutors' to gain re-accreditation.

New tutor accreditation: (Full Day, 9:30am – 5.00pm)

Pharmacists with at least three years' experience and wishing to become a tutor for the first time can apply.

Experienced tutor reaccreditation: (Half Day, 1pm – 5.00pm)

An experienced tutor must attend one of the half day update courses within the five years in order to continue to be recognised as a tutor (i.e tutors who last attended a course in 2014). If more than 5 years have elapsed since taking the course, attendance to the full day course is required.

Experienced tutors can check when they last attended a tutor course by referring to the following link: [Accredited Tutors](#) (displays current tutors only, i.e 2014 onwards)

Available dates:
