

Training Surveys 2017-18

15 June 2018

Dear Pre-registration Trainee,

The two surveys that form part of the registration process are now available, please click on the links below:

1. [Pre-registration Training Survey 2017-18](#)

The aim of this survey is to seek your views and experiences about the pre-registration training year. This forms part of the quality assurance arrangements that the Pharmaceutical Society NI undertakes to identify important issues and improve the quality of training for pre-registration trainees.

2. [Trainee Survey on Tutor Performance](#)

The Pharmaceutical Society NI must ensure that pre-registration tutors have the ability to undertake the role of tutor. Each tutor will receive an individualised report from the Pharmaceutical Society providing your feedback about their performance as tutor. If you were supervised by more than one tutor, please complete a survey for each tutor.

Please complete the surveys as soon as possible.

Regards

Daniel Young
Pre-registration Lead
