In our consultation summary reports we often include quotes from respondents. If we publish a quote from an individual in the consultation summary report we will not publish and link the quote to the name of the individual.

We do provide a list of the respondent's names at the end of the report.

However, if you do not wish all or part of your response including your identity to be made public, then please make that clear, otherwise we will assume that by responding to our consultation you have given consent to us publishing your name and the content (or part content) of your submission.

** If you wish your response to remain confidential, the Pharmaceutical Society NI will generally respect that request. However, the information you provide may be subject to disclosure under the Freedom of Information Act 2000.
