

Updates to Pre-registration Training Manual

Tuesday 25 September 2018

Dear Trainee / Tutor

The Pre-registration Training Manual for trainees and tutors has been revised (version: August 2018). Trainees and tutors should use the latest version of the training manual.

The updated version can be viewed using this link [Pre-registration Training Manual 2018-19](#).

The Pre-registration Training Syllabus now includes reference to:

- The General Data Protection Regulations (GDPR) (EU) 2016/679
- RQIA/GAIN clinical audit resources
- Medicines optimisation quality framework
- Monitoring requirements for drugs

The training manual also includes an updated list of useful reference sources and websites.

Please note that all correspondence can be viewed via the 'Correspondence Section' via your E-portfolio and the Pharmaceutical Society website using the following link:

Yours sincerely

Regards

Daniel Young
