

Equality Monitoring Form 2019/20

The Pharmaceutical Society NI, in adopting the principles of good regulatory practise, is undertaking equality monitoring of the register of pharmacists in Northern Ireland. This form has been developed using the guidance provided for public authorities by the Equality Commission of Northern Ireland in relation to Section 75 of the Northern Ireland Act 1998. The organisation is not listed as a public authority but is viewed by Government as an organisation resembling a public body. This monitoring exercise is undertaken in order to highlight possible inequalities in the register and to ascertain why they occur. Completion of this form is voluntary.
