

Coronavirus (COVID-19) and Pre-registration Training

19 March 2020

Due to the rapidly evolving situation with coronavirus (COVID-19), we understand there will be questions and concerns about how this will affect pre-registration training.

We are actively considering this important issue. There are a number of factors which will influence any decision we take including the views of the HSCB and the Department of Health, and the contents of the final Coronavirus Bill currently passing through Westminster.

We will relay any decisions that are made at the earliest possible time. Please look out for further updates from us soon.
