

HOLD: 07 & 08 December 2020 – Registration Examination

Monday 14 September 2020

Dear Trainee

The purpose of this email to provide you with an update about the second Registration Examination to be held in 2020. Our plan is to hold an examination in early December 2020 (subject to government restrictions on Covid-19), and we would ask that you hold the dates of 07 and 08 December 2020, we will require only one of these dates.

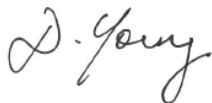

We are currently finalising the details of venues etc and we will provide further information as soon as possible. At that stage, we will also provide details of how you can register for the Registration Examination and when the application process will open.

Important information about permitted resources for the Open Book part of the examination is available via this link:

[Permitted Reference Sources 2020](#)

Thank you for your patience.

Regards

Daniel Young
Pre-registration Lead
