

Reporting the death of a registrant

To inform the Pharmaceutical Society NI of the death of a registrant, e-mail or write to us, at:

Registration
Pharmaceutical Society NI
73 University Street
Belfast
BT7 1HL

Email: registration@psni.org.uk

An original or solicitor certified copy of the death certificate must also be submitted. If an original is sent, this will be returned by next day recorded delivery (please ensure that you include the sender's name and address so that we may return it). If sending a copy, this must be certified by a solicitor. The details of the cause of death may be redacted by the sender, if they wish. The registrant's original registration certificate should also be returned to the Pharmaceutical Society NI, if possible.
